## GENERAL

To all our Heritage community, we thank you for your support and partnership at the end of a long Semester 1. This has been an incredibly rich semester in terms of learning and the educational opportunities to engage and inspire our wonderful young people. We wish all our families and colleagues a very restful and peaceful vacation and season's greetings. We come back to a new year and a new decade, full of hope and promise as we continue to work together to ensure our young people are cared for, challenged and experience the World Class education that is Heritage International School.

A huge thanks to the whole school community for their involvement and support for this and demonstrating our social responsibility, on Saturday the school's Shoe Box Appeal was delivered to Bulboaca Vulnerable Children's Centre.

We have amazing talented and creative students at Heritage, a huge thanks to all our students who have taken part in our Christmas Card art competition. The ones chosen will be the design for the school Christmas/Season Greetings cards that we will be sending to our friends and partners in our wider community to show our appreciation at this time of year and to wish them well for a new 2020. It was difficult to choose with so many amazing paintings. All students will be honoured and commended for their fine efforts and creativity.
